About The Organization

Christian Mission Service (CMS), a philanthropic organization, has been working since 1957, to assist poor, marginalized children and handicapped adults in our society. We work with orphans, semi-orphans, and destitute children, adults with physical and mental challenges, and a limited number of impoverished elderly citizens. CMS is dedicated to the education and empowerment of the children; under our care, CMS operates in six states - Tamil Nadu, Andhra Pradesh, Karnataka, Kerala, Maharashtra, and West Bengal - to achieve this vision.

Our Vision

To demonstrate the love of Christ in the service and care of destitute children.

Our Mission

To serve destitute children by meeting their needs and giving them holistic care with the view to making them self-reliant and responsible citizens.

Executive Summary

We are grateful to share an update on the solar water heating project supported by your generous contribution from Germany. We received a total of EUR 2,000, and an amount of INR 1,20,000 has been utilized toward the successful installation of solar water heating systems for the children in our residential home.

✓ Project Overview

With your support, we have installed two solar water heating systems of 500-litre capacity each – one dedicated to the boys' section and one to the girls' section. This facility now serves all 125 children living at the home.

✓ Implementation Details

- Installed two separate 500-litre solar water heating systems
- Systems allocated individually for boys' and girls' sections to ensure privacy and smooth access
- Adequate hot water is now available daily, enabling each child to receive warm water for bathing

Impact Achieved

- 125 children now have access to warm water for regular bathing
- Improved personal hygiene and health conditions
- Reduced exposure to cold-related illness risks
- Increased comfort, dignity, and overall well-being of the children

Utilization & Accountability

The project funds were carefully used for procurement and installation of the solar heating units and related setup costs. The systems are now fully operational.

Next Steps

- Ongoing monitoring and periodic maintenance of the solar systems to ensure long-term performance
- Continued improvement of residential facilities for children
- We kindly request permission to utilize the remaining balance funds to purchase an amplifier and speaker boxes for chapel use, which will support the children's spiritual and community activities.

Expression of Thanks

We extend our heartfelt gratitude to you and the donors from Germany for your compassion and generosity. Your support has brought meaningful and lasting comfort to the children. On behalf of all the children and staff, we offer our sincere thanks. Your partnership continues to make a tangible difference in their daily lives.
